Comments: Pursuant to the Notification published by the USPTO on their Website on January 2, 2002 regarding the Processing of, and Requirements for, the Filing of Duplicate Applications and Papers in Patent Applications in View of USPS Mail Delays, Applicant is following the procedures in the Notification by providing a copy of the original Amendment, with a Petition for Extension of Time, each filed under Certificate of Mailing procedures, and makes the following statement: This is a copy of an Amendment and Petition for Extension of Time that was mailed to the USPTO on the date of the Certificate of Mailing (November 30, 2001). Since this Amendment and Petition for Extension of Time was timely filed with the appropriate extension fee and accompanying check, Applicant's Attorney requests that the Notice of Abandonment be withdrawn and that this application be restored to a pending status at the USPTO. Although the payment of the extension fee was originally made by check, the USPTO is authorized to charge Attorney's Deposit Account 08-0380 the amount of the extension fee (\$920.00) in view of the fact that the originally filed check has not been received.
